

The drawing shows a surgical instrument with a blue U-shaped component at the top. This component has a central circular opening. A dashed line indicates the removal of this component, leaving a hole in the instrument's body. To the right, a separate view shows the blue U-shaped component without the central opening, illustrating its original form.

Specifications

Termination Type	Clevis
Connector Type	Clevis
Material	Zinc Plated Cast-Steel

Available Products

Rope Size (In)	Part No.	Finish
1/2	L-713-4	Zinc Plated
