

Model 31 - Eye/Hook Swivel

Electroline's Model 31 economical industrial swivel features an eye-end fitting and a hook. Utilizing a single roller bearing, this swivel enables smooth, higher-torque rotation for the shorter rope lengths used in lifting equipment and similar applications.

- Made from alloy steel and zinc-plated for corrosion resistance.
- Ultimate strength exceeds the rated Safe Working Load (SWL).

Specifications

Material	Zinc Plated Steel
Termination Type	Eye
Connector Type	Hook
